Equipment available for the above two theaters: Wi-Fi. You will need a smart phone with the free app, "Audio Everywhere" installed before arrival at the theaters. For iPhones download from the App Store. For Android phones download from the Google Play Store. Connect to "Audio Everywhere" by clicking on its icon when at either SKyPAC or Capitol Arts Center venues. "Performing Venue" will appear with the name of the theater. You are now connected to the theater Wi-Fi. Theater audio is delivered to your smart phone per Wi-Fi. Use ear buds, headset or Bluetooth to receive audio from phone.

To become familiar with the "Audio Everywhere" app after installation, select the icon in the upper left corner of the app home page. Select "About" option for Help/FAQ and Demo mode features.

You will need to provide your own ear buds, headset or Bluetooth. You will want to remove your hearing aids if using ear buds or headset.

Accessibility Coordinator for both theaters: accessibility@skypac.com
